

Appliqué, Pin, blanket stitches *By Janice Henning*

Note: Any stitch that goes forward, backwards and forward again can use a Wing needle or 100 topstitching needle to give a nice heirloom hole effect. You can see that D6, D46 and F19 has that stitch.

You can mirror any of these stitches to go in the opposite direction and you can change the stitch length and the stitch width to suit your needs.

- D6** SL 4.5 SW 5.0
Pin stitch with wing needle
Starts on the left and goes to the right **2 times and back** with a stitch width of 5.0 and then forward, back and forward **once** with a stitch length of 4.5.
- D46** SL 2.5 SW 1.5
Pin stitch with wing or 100 top stitch needle
Starts on the left and goes **forward, backward, forward once** with a SL of 2.5 and then **to the right and back once** with a SW of 1.5.
- E23** SL 4.0 and SW 2.0.
Appliqué quilt stitch with hand look
Starts on the right and takes **2 stitches forward at 2.0** and then to the left at 2.0 SW and back.
- E 56** SL 4.0 SW 2.0
Quilt stitch, blanket stitch
Starts on right and takes **2 stitches forward at 2mm each** and then to the left and back at 2mm.
- F11** SL 4.0 SW 2.0
Appliqué stitch, hand look
Starts on the right and takes **2 stitches forward @ 2mm each** and then 1 stitch to the left and back at 2mm.
- F15** SL 2.0 SW 2.0
Appliqué stitch, hand look
Starts on the right and goes **forward 2 stitches @ 2.0** and **one to the left** and back at 2.0.
- F17** SL 8.0 SW 3.5
Appliqué stitch, hand look
Starts on the right and makes **4 tiny zig zag stitches at 2mm each** and then to the left at 3.5 **one time** and back.
- F18** SL 3.0 SW 3.0
Appliqué stitch, hand look
Starts on the right and goes to the left at 3mm and back. Then forward with a 3mm and **backwards and slightly to the left** and then a tiny stitch to the right and then a straight forward stitch at 3.0 once.
- F19** SL 3.0 SW 3.0
Appliqué stitch, hand look, wing needle
Starts on the right and goes to the **left and back 2 times** and then **forward and back and forward once**.
